

u-u-u!!!

u-u-u!!!

u-u-u!!!

My daughter and grandchildren went to Poland. How are you doing?

My boyfriend went to war.

- Everyone has a front line. We both have to work. Let's meet at the museum.

I'm like a horsman of Ancient Rus.

I'm like a Zaporizhian Cossack, only on foot.

We must save the museum and prepare the collection for evacuation.
