Decides

Chapter 1

General Provision

Article 1

This Prakas/Declaration aims to ascertain the requirements and procedures of the establishments of the community learning centers (CLC) of the Ministry of Education, Youth and Sport.

Minimum Standards for Community Learning Center (CLC)

I- Minimum Standards for Community Learning Center

are model standards to determine the statuses of the CLC by putting focuses on human resources, learning and teaching materials, documents, study programs, and operation as the requirements that personnel of all levels responsible for the CLC works, essentially the CLC management committee shall perceive and implement it with high quality and effectiveness.

II- Objectives

- to provide knowledge to the CLC management committee and facilitators of CLC works in order to implement and impart their knowledge to other concerned stakeholders
- to implement the CLC works nationwide consistently
- to develop CLC works at the community to understand and collaborate.

III- Significance of Minimum Standards for the CLC

- to have a consensus in the implementation of the CLC works
- to provide basic knowledge in the implementation and management of the CLC
- to promote the understanding of community people
- to improve the understanding of community people to participate in the development of community
- to contribute to the development of human resources

IV- Meaning of Minimum Standards for the CLC

1- Infrastructures

1.1. Location

- is at least 1,500 meters square of land size
- is the property of the community
- has a land title issued by the local authority
- has electricity system, clean water system and a toilet separated from the building

- 3 Simple Principles

Question:

How is it possible an NGO contributes to community development or poverty reduction?

Shantí's answer:

Hmmm... No way...

We need partners.

- **3 Simple Principles**

Why does education need to be
Fun, Comfortable and Practical?

Picture Map Analysis

Why 3 Principles?

A common problem in NonFormal Education:
People don't come...

QUESTION:

What does it take to get people to participate in NFE programs?

Shantí's answer:

Casual approach to education

Imagine yourself after work.

Why 3 Principles?
