

Sustaining Our Oceans (SOO) Project Marine Education Forum

Through initiatives under the Sustaining Our Oceans (SOO) Project in Indonesia, Thailand, Vietnam, and Japan, coordinated by UNESCO Bangkok, this Forum aims to deepen understanding of marine conservation. The three-day programme will feature case sharing and discussions by participating schools, with a special focus on practices in Okayama City and the Setouchi region. Participants will also have the opportunity to join the SPOGOMI × UNIQLO event, organized in collaboration between UNIQLO Co., Ltd. and the Nippon Foundation SPOGOMI Federation. You are welcome to join all or part of the programme by registering via the e-mail address below.
